**New Classrom Finished!!!**

**Suzi and her new family enjoying new soccer balls and a celebration of the gifts being delivered to KEGO!!!**

# **Thank You to all donors and friends of KEGO for their donations and Love for the children of KEGO - 2023 Year in Review**

---

- 5 new classrooms on upper campus!**
- New Garden to help feed the children and teach them to grow their own food!**
- New gate and perimeter fence on upper campus!**
- Replaced all floors and access points on lower campus and painted inside and out!**
- Added an additional day of peanut butter and Fish day Friday to add protein to the children's diet!**
- Built swing sets, teeter totter, added soccer goals, and volleyball nets for recreation and exercise!**
- Created a donor base to help cover these costs and add money for developing additional opportunities for the children of KEGO. We are so excited to have your support and love and will continue to work to make KEGO the best it can be!**

## **KEGO'S Long Term Plans**

**Finish up upper campus by adding 6 more classrooms**

**Re-work the bottom campus to create vocational opportunities for children who do not qualify for college.**

**Create a long term funding plan to help KEGO become a self reliant entity with funding in place to continue working for the children and local community.**

**KEGO has become the model school in this area and with the help of our donor base, KEGO will continue to evolve and work to bring out the best in our students.**
